

# FULL SCHOLARSHIP

Capella is offering a new scholarship opportunity for Defense Acquisition Workforce members

Thanks to DAU's partnership with Capella, you have an opportunity to **apply for a full scholarship** when you start a FlexPath program in January 2015. Capella will choose 2 scholarship recipients from the Defense Acquisition Workforce—and even if you don't receive the full scholarship, you'll still receive a \$1,000 scholarship to use toward your FlexPath program.

**Apply at [capella.edu/dau](http://capella.edu/dau) by October 31, 2014.**

## FLEXPATH

### What is FlexPath?

FlexPath is an innovative, self-paced degree option that lets you use the knowledge you've gained in your profession to move quickly through familiar subjects. You'll earn the same degree as a traditional program, but through a personalized learning approach that can help accelerate your professional success.

FlexPath is currently available for select programs in business, information technology, and psychology.

### How FlexPath works

**Work at your own pace**, moving quickly or more slowly as needed.

**Use any resources** you choose, including textbooks, eBooks, simulations, videos, and work experiences.

**You'll be measured on demonstration of real-world skills**—not through grades, GPA, credits accumulated, or time spent in class.

**Complete as many courses as you can** while paying one flat tuition rate per quarter.

**APPLY FOR THE FULL SCHOLARSHIP AT  
[CAPELLA.EDU/DAU](http://CAPELLA.EDU/DAU)**
